- ◆ Mangrove Kayaking

**now**™  
الآن هو **is all**

In Qatar, you're never far away from Endless Adventures, wherever you are.

Never hit the dunes before? Now's your chance to strap in and conquer the undulations. Kite surfers and watersports enthusiasts can also enjoy their share of awesome – Qatar's cool coastal breezes are perfect for beginners and pros alike.

Any visitor who gets their kicks from natural wonders will be equally thrilled – with mangroves and the Inland Sea just waiting to be explored. Khor Al Adaid is one of just three places in the world where the sea meets the desert. And when you've only got headspace for pristine coastline, make a beeline for Sealine.
